April Recap

In April, we discusses the signs of spring. We learned about flowers, bugs, and butterflies. We also worked on our fine motor skills by painting with various tools. We worked on counting patterns and recognition of colors.

May Focus

During the month of May, we will make our focus on transportation. The students will learn more about the various methods of transportation. We will also spend time working on our

songs and preparing for our May Program.

The students have grown so much this year!

Thank you

Thank you to all who attended Preschool Sunday.

The students did a great job and the congregation of Hazelwood was much appreciative.

Thank you to Miss Sue for volunteering in the classroom this past month. We appreciate your help! Anytime you would like to visit us or volunteer, please know that you are more than welcome.

May Important Dates

Our Classroom Information

May Program

To celebrate the wonderful year we have had, we're planning a special May Program on Monday, May 21. This program will be held in the sanctuary and begin at 10:30 am. Both of the Monday and Friday classes will combine for class on this day. The children will share some songs and other favorite activities of the year. There will be a special slide show of

activities completed throughout the year. The students will receive a certificate for the completion of the 2-3 year old class. Refreshments will follow. Please plan to join us for this special program!

Attached to this newsletter...

There are quite a few papers attached to this newsletter in which we would like to bring your attention. These items are Summer PDO Fun Information, Parent Survey, and Parent's Night Out Registration Form.

Book Orders

Thank you for your book orders this year. Your purchases have allowed us to acquire a nice selection of books for our classroom. There are no newsletters attached this month.

Show and Tell

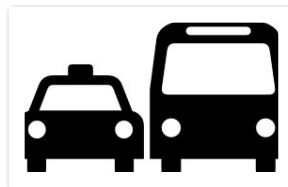

Show and Tell will be the first Monday of each month. We will have just one show and tell each month. Bring show and tell items in a sack with your child's name on it. This helps us make sure

everyone gets back what they brought to show. Thanks!

May

7-"Transportation" Please have your child bring in some type of transportation item. This will be our theme for the

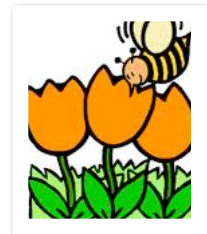

month of May.

A Special Note...

Families, We want to thank you for allowing us to be a part of your child's life

these last 6 months. We have enjoyed getting to know your child as well as your family. Some of your children will be with us next year and we can't wait to have them again. Some of you will be moving onto the 3-4 classroom. I know they will have a great time and we will be able to see them on Tuesdays!! Again, thank you and have a great summer.

Great Expectations

by Maria Cuellar-Munson

It's time to say good bye,
Our year has come to an end.
We've made more cherished memories,
And many more new friends.

We've watched your children learn and grow,
And change form day to day.
We hope that all the things we've done,
Have helped in some small way.

So, it's with happy memories
We send them out the door,
With great hope and expectations,
For what next year holds in store!

This has truly been a great year for all of us. Thank you for sharing your child with us. It has been a joy to watch the children grow and develop in so many ways. We feel blessed to have been a part of their lives.

Love,

Cami, Sara, & Rebecca
